1. The Central Leadership Challenge: Closing the Implementation Gap

- 2010 Evidence on Implementation and Student Results
- Leadership Essentials: Focus, Feedback, Flexibility

2. Confronting the Realities of Rising Demands and Fewer Resources

- Sustainability: What happens without money and mandates?
- Monitoring adults – not just students
- Assessing teacher quality
- Investing in education, not litigation
- Assessing educational leadership

3. Turnarounds that Work: From 90 90 90 to 100 100 100

- The original 90 90 90 research – practices, not programs
- Updates for 2010
- Replication and sustainability – not shooting stars
- The “4th 90” – 90% ESL populations
- Essential choices for teachers, leaders, and policymakers

4. Reconsidering 21st Century Skills

- 21st Century Rhetoric and 14th Century Assessments
- The “Not to Do” List
